Bodine Limited Warranty

The Bodine Electric Company warrants all products manufactured by it to be free of defects in workmanship and materials when used under normal operating conditions and when applied in accordance with nameplate specifications.

This warranty shall be in effect for a period of twelve months from date of purchase or eighteen months from date of manufacture, whichever comes first.

Bodine will, at its option, repair, replace, or refund the purchase price of any of its products which has been found to be defective and is within the warranty period, provided that the product is shipped freight prepaid, with previous authorization, to Bodine's plant in Peosta, IA, U.S.A., or to the nearest Bodine Authorized Service Center.

All return shipments are F.O.B. Bodine's plant or Authorized Service Center. Bodine is not responsible for removal, installation, or any other incidental expenses incurred in shipping the product to or from Bodine.

This warranty is in lieu of any other expressed or implied warranty – including (but not limited to) any implied warranties of merchantability and/or fitness for a particular use or purpose.

Bodine's liability under this warranty shall be solely limited to repair, replacement, or refunding the purchase price of Bodine's product within the warranty period and, irrespective of any other terms hereof, Bodine shall not be liable, under any circumstances, for any consequential, incidental or indirect damages or expenses associated with the warranted products.

Commutator and/or brush wear and its associated effects are a normal occurrence and are not covered by this warranty unless otherwise agreed to by Bodine in writing. Any product of Bodine, which is damaged due to misuse, abuse, and negligence or has been modified or dismantled without the knowledge or written consent of the Bodine Electric Company, is not covered by this warranty.
